

Children's Dyslexia Center Contributors

The Board of Governors, Director, Staff, and Students and the Dyslexic Center want to thank all of the Scottish Rite Brothers who have donated to the Center in the past several months.

The contributions go 100% to supporting the center and its operations on behalf of students suffering from dyslexia. It is a joy for us to know that members support this effort to improve the lives of young people in our community. Students are admitted to our program without regard to race, religion, ethnic origin, school district, or ability to pay. Indeed, our program operates on the principles of Masonic service to the community and children are tutored in our center at no cost to their families. So thank you sincerely for each and every contribution.

The Society of Cathedral Builders & Children's Dyslexia Center Contributors

Our Cathedral stands today as testament to the vision and philanthropy of members and friends who unselfishly committed their time and resources.
